### Report of Independent Auditors

To the Board of Directors and Stockholder of Valley Forge Asset Management Corp.

In our opinion, the accompanying consolidated statements of financial condition and the related consolidated statements of income, changes in shareholder's equity, changes in subordinated borrowings, and of cash flows present fairly, in all material respects, the financial position of the Valley Forge Asset Management Corp. (a wholly owned subsidiary of Susquehanna Bancshares, Inc.) (the "Company") at December 31, 2007 and 2006, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audits of these statements in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the consolidated financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall consolidated financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

The Company is a wholly-owned subsidiary of Susquehanna Bancshares, Inc. As disclosed in the notes to the consolidated financial statements, the Company has transactions and relationships with affiliated companies. The financial position of the Company is not necessarily indicative of that which would have been had the Company operated independently.

Our audits were conducted for the purpose of forming an opinion on the basic consolidated financial statements taken as a whole. The information contained in the supplemental schedules is presented for purposes of additional analysis and is not a required part of the basic consolidated financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic consolidated financial statements taken as a whole.

### Valley Forge Asset Management Corp. (A wholly owned subsidiary of Susquehanna Bancshares, Inc.)

Notes to Consolidated Financial Statements December 31, 2007 and 2006

### 1. The Company

Valley Forge Asset Management Corp. (the "Company") was incorporated on October 10, 1973. The Company is a broker-dealer and investment advisor registered with the Securities and Exchange Commission ("SEC"), and is a member of Financial Industry Regulatory Authority ("FINRA"). The Company clears all transactions through an unaffiliated broker-dealer on a fully disclosed basis. In 2000, Susquehanna Bancshares, Inc. (the "Parent"), a bank holding company headquartered in Lititz, Pennsylvania, acquired the Company.

On June 10, 2004, the Parent acquired Patriot Bank Corp., a financial services firm headquartered in Pottstown, Pennsylvania. The transaction included Patriot Advisors, Inc. and Tyler Wealth Counselors, which were wholly owned subsidiaries of Patriot Bank Corporation. On June 10 and August 31, 2004, the Parent transferred Tyler Wealth Management and Patriot Advisors, respectively, to the Company as subsidiaries. Patriot Advisors merged into Company on January 1, 2005. Tyler Wealth Counselors is an investment advisor registered with the SEC and Patriot Advisors was also registered with the SEC until its merger with Company in January 2005.

On February 1, 2005, the Parent acquired Brandywine Benefits Corporation ("BBC"), which specialized in consulting and administration of retirement benefit plans. The Parent transferred Brandywine to the Company as a subsidiary effective February 1, 2005.

On August 1, 2007, the Parent acquired Widmann & Siff & Co., Inc. ("Widmann") a broker-dealer and investment advisor registered with the SEC and a member of FINRA. On August 1, 2007, the Parent transferred Widmann to the Company as a subsidiary.

### 2. Summary of Significant Accounting Policies

### Method of Accounting

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. Under this basis, revenues are recognized in the year in which they are earned and become measurable, and expenses are recognized in the year they are incurred. The Company's revenues consist primarily of individual and institutional investment advisory fees and commissions on customer trades. Investment advisory fees are recognized as income when earned under the accrual basis of accounting. Securities transactions and commission revenue and related expenses are recorded on a trade date basis.

### Cash and Cash Equivalents

Cash and cash equivalents are defined as cash and short-term investments having an original maturity of three months or less.

### **Restricted Cash**

Restricted cash is cash that is restricted under the Company's agreement with its clearing broker-dealer.

### **Marketable Securities**

The Company's marketable securities are classified as "trading securities." Trading securities, consisting of equity securities and short-term commercial paper, are stated at fair value. Realized and unrealized gains and losses are included in income. The cost of securities sold is determined using the specific identification method and realized gains or losses are reflected in income.

### Valley Forge Asset Management Corp.

(A wholly owned subsidiary of Susquehanna Bancshares, Inc.) Notes to Consolidated Financial Statements December 31, 2007 and 2006

### **Furniture and Equipment**

Office and computer equipment are recorded at cost. Depreciation is provided on a straight-line basis. When items of furniture and equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income. Depreciable lives of the items included at December 31, 2007 and 2006 are as follows:

Computer equipment
Office equipment

five years seven years

Depreciation expense, in the amounts of \$38,317 and \$63,762, was incurred for the years ended December 31, 2007 and 2006, respectively.

### Investment Advisory Fees Receivable

Investment advisory fees receivable includes fees receivable on both individual and institutional customers. Investment advisory fee revenue is recognized for the period in which it is earned and is typically based on assets under management.

### Goodwill and Customer Intangible

The Company follows FAS No. 141, *Business Combinations*, and FAS No. 142, *Goodwill and Other Intangible Assets*. Net assets of companies acquired in purchase transactions are recorded at their fair value at the date of acquisition. Intangible assets acquired in acquisitions are identified and amortized over their useful lives, which is further detailed in Note 4.

### Fair Value of Financial Instruments

Financial instruments are reported in the financial statements either at fair value or amounts which approximate fair value, with the exception of the Company's subordinated note with its Parent, which is carried at historic cost. The fair value of the subordinated note could not be estimated.

### **Income Taxes**

The Company is included in the consolidated federal income tax return for the Parent. The Company's method of accounting for income taxes conforms with Statement of Financial Accounting Standards Statement No. 109, *Accounting for Income Taxes*. This Statement utilizes the liability method and deferred taxes are determined based on the estimated future tax effects of differences between the financial statement and tax bases of assets and liabilities given the provisions of the enacted tax laws.

### Accounting Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements, as well as the reported amount of revenues and expenses during the reported period. Actual results could differ from those estimates.

### Concentration of Credit Risk

Financial instruments which subject the Company to concentrations of credit risk consist primarily of cash and cash equivalents and accounts receivable. The Company deposits its cash and cash equivalents with its principal bank, Susquehanna Bank Delaware Valley, which is an affiliated bank of its Parent. The Company has not required collateral for its accounts receivable.

### Valley Forge Asset Management Corp.

(A wholly owned subsidiary of Susquehanna Bancshares, Inc.)
Notes to Consolidated Financial Statements
December 31, 2007 and 2006

### Reclassifications

Certain prior year amounts in the accompanying consolidated financial statements have been reclassified to conform to current year presentation.

### Combination with Widmann, Siff & Co., Inc.

On August 1, 2007, the Parent acquired Widmann, a broker-dealer and investment advisor, registered with the SEC and a member of FINRA.

The Parent transferred Widmann into the Company as a subsidiary effective August 1, 2007 resulting in a contribution of additional paid in capital of \$3,340,765 from the Parent to the Company comprised of the following:

Cash received	\$	335,678
Accounts receivable		106,324
Goodwill	•	736,369
Customer intangible		2,452,370
Less: Accrued expenses		(289,976)
	\$	3,340,765

### 3. Marketable Securities Owned

At December 31, 2007 and 2006, the Company's marketable trading securities were recorded at their fair value of \$5,076,194 and \$5,907,255, respectively. These securities had a cost basis of \$5,076,277 and \$5,925,702, respectively, and were comprised primarily of commercial paper.

### 4. Goodwill and Customer Intangible

Goodwill in the amount of \$9,414,786 was recorded as a result of the purchase of the Company by the Parent in 2000. An additional \$6,000,000 was recorded as goodwill in 2001 as a result of an earnings-based contingent earn-out paid by the Company pursuant to the acquisition agreement.

In July 2001, the Financial Accounting Standards Board issued Statement of Financial Accounting Standards No. 142 ("SFAS 142"), Goodwill and Other Intangible Assets. SFAS 142 addresses financial accounting and reporting for goodwill and intangible assets. The Statement requires that goodwill and intangible assets having indefinite useful lives not be amortized, but rather be tested at least annually for impairment. Accordingly, the Company ceased to amortize goodwill upon adoption of SFAS 142 on January 1, 2002 after amortizing \$694,787 prior to adoption. The Company has tested goodwill for impairment pursuant to this new pronouncement and did not note impairment.

On June 10 and August 31, 2004, the Parent transferred Tyler Wealth Counselors and Patriot Advisors, respectively, to the Company. The transfer included a customer list of \$425,145 and \$659,850, respectively, that is being amortized over 15 years. On April 6, 2005, additional goodwill in the amount of \$184,675 was recognized in connection with the payout of a customer retention provision of the agreement of Patriot Bank Corp. to purchase Retirement Plan Services, renamed Patriot Advisors. On August 19, 2005, Company sold a portion of the customer list of Tyler Wealth Counselors for \$194,911 with final payment due on or before December 30, 2007. The balance was paid in full in February 2007.

On February 1, 2005, the Parent transferred BBC to the Company. The transfer included goodwill of \$1,901,346 and a customer intangible valued at \$1,326,000 being amortized over 15 years. An additional amount of \$1,086,294 was recorded as goodwill in 2006 as a result of earnings based contingent earn out amounts paid in the amount of \$258,749 and \$827,545 transferred to an escrow account for distribution in 2007. The \$827,545 escrow amount plus earnings were distributed in February 2007.

On February 3, 2007, the Company reached a Comprehensive Agreement with the former principals of Brandywine Benefits Corporation in which the principals will no longer have any affiliation with the Company. Pursuant to the original Purchase Agreement dated February 1, 2005 and confirmed in the Comprehensive Agreement, payments totaling \$2 million will be made to the principals in annual installments through 2010. The terms of the original Purchase Agreement did not require the former principals to be employed to receive the additional payments. Accordingly, the payments will be accounted for as goodwill by the Company. During 2006, the Company recognized \$827,545 in additional purchase price in conjunction with the first installment required under the original Purchase Agreement. During 2007, the Company recognized an additional \$1,172,455 in goodwill which represents the remaining amounts due under the agreement.

During 2006, the company determined that impairment indicators existed related to the Tyler Wealth Counselors intangible customer list as a result of client asset and corresponding revenue declines at Tyler. In accordance with the provisions of Statement No. 144, Accounting for the Impairment or Disposal of Long-Lived Assets ("Statement No. 144") an intangible asset that is subject to amortization is tested for impairment whenever events or changes in circumstances indicate that its carrying amount may not be recoverable.

Based on an independent valuation of these assets, the Company recorded a \$288,684 loss in 2006 included in other expense to write down these assets to estimated fair value, which was based upon the income approach valuation. The income approach employs a present value analysis, which calculates the expected after tax cash flow benefits of the net revenues generated by the acquired customers over the expected life of the acquired customers, at a discounted rate of return on investment. The value assigned to the customer list represents the future economic benefit from acquiring the customers (net of operating expenses).

On August 1, 2007, the Parent transferred Widmann to the Company. The transfer included goodwill of \$736,369 and a customer intangible valued at \$2,452,370 being amortized over 15 years.

### 5. Subordinated Borrowings

In March 2001, the Company borrowed \$15,000,000 under a subordinated note agreement with the Parent. The borrowing was approved by FINRA, formerly known as the NASD, and bears interest at a rate of 10% per annum. On May 15, 2003, the note was extended to May 31, 2013. The subordinated note is available in computing net capital under the SEC's uniform net capital rule (SEC Rule 15c3-1). To the extent that such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid.

### 6. Income Taxes

The components of the provision for income taxes for the years ended December 31, 2007 and 2006 are as follows:

	2007	2006

The Company files a consolidated federal tax return with the Parent and the Parent's subsidiaries. The Company determines its current and deferred income tax expense or benefit on a separate company basis. In accordance with the tax sharing agreement, the Parent will reimburse the related entities for any tax benefits recorded on a separate company basis when utilized on the consolidated return, and the related entities will reimburse the Parent for any tax expense recorded on a separate company basis. The amount of tax-related balances due to the Parent was \$89,520 and \$599,967 in 2007 and 2006, respectively. In conjunction with the tax sharing arrangement, the Parent contributed \$54,473 and \$370,500 in additional paid-in capital in 2007 and 2006, respectively.

### 7. Benefits Plan

The Parent maintains a 401(k) savings plan which allows the Company employees to invest a percentage of their earnings, matched up to a certain amount specified by the Parent. Contributions to the Parent's savings plan, which are included in employee compensation and benefits expense, amounted to \$113,948 and \$108,941 for the years ended December 31, 2007 and 2006, respectively.

Employees of the Company are covered under the Parent's noncontributory pension plan. Retirees of the Company are covered under the Parent's life insurance and medical benefits plan. For the years ending December 31, 2007 and 2006, respectively, the Company contributed \$0 and \$130,108 to the Parent's pension plan. For the years ending December 31, 2007 and 2006, respectively, the Company had other postretirement benefits expenses of \$27,395 and \$34,545 for other benefits.

### 8. Lease Commitments

The Company's headquarters is leased from Warner Road Associates which was partially owned by the previous majority shareholder of the Company. Additional office space is also leased from independent third parties. Minimum future lease payments under which the Company is obligated are as follows:

	Co	Third Party mmitments	y Party		Total Lease Commitments	
2008	\$	404,673	\$	142,252	\$	546,925
2009		411,359		40,832		452,191
2010		273,331		15,787		289,118
2011		133,811		2,338		136,149
2012	<u></u>	22,902		<u> </u>		22,902
	\$	1,246,076	\$	201,209	\$	1,447,285

Rent expense paid to related parties for office space and equipment was \$119,724 and \$2,280, respectively, for the year ended December 31, 2007 and \$119,465 and \$32,152, respectively, for the year ended December 31, 2006. Total rent expense for office space and equipment was \$511,220 and \$29,954, respectively, for the year ended December 31, 2007 and \$424,188 and \$42,450, respectively, for the year ended December 31, 2006.

### 9. Related Party Transactions

See Note 5 for information on the subordinated borrowings with the Parent. Total interest expense from related party borrowings amounted to \$1,500,000 for each of the years ended December 31, 2007 and 2006. See Note 8 for information on related party lease agreements.

The Company's employees are eligible to participate in a deferred income plan offered by the Parent. The expense associated with this plan is included as a component of employee compensation and benefits expense on the consolidated statements of income.

Additionally, the Company maintains accounts with Susquehanna Bank Delaware Valley, an affiliate of the Parent. These deposits amounted to \$1,210,486 and \$276,498 at December 31, 2007 and 2006, respectively.

The Company is a wholly owned subsidiary of the Parent; as such, the statements of financial condition and statements of income may not necessarily be indicative of the financial position and operations that would have existed had the Company operated as an unaffiliated corporation.

### 10. Net Capital Requirements

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2007, the Company had net capital of \$1,768,953, which exceeded the minimum net capital requirement by \$1,518,953. The Company's ratio of aggregate indebtedness to net capital was 1.39 to 1 at December 31, 2007.

### 11. Concentration of Risk Due to Key Customer

The Company's principal customers are institutional funds, the largest of which accounted for approximately 42% and 35% of its assets under management and investment advisory fees receivable, respectively, as of December 31, 2007.

### 12. Commitments and Contingencies

In the normal course of business, the Company's customer activities involve the execution and settlement of various customer securities transactions. The Company uses a clearing broker to execute certain customer transactions. Such transactions may expose the Company and the clearing broker-dealer to significant off-balance sheet risk in the event margin requirements are not sufficient to fully cover losses which customers may incur.

### 13. Subsequent Event

On January 25, 2008, the Company sold Tyler Wealth Counselors, a Company subsidiary, in accordance with a Purchase Agreement effective January 14, 2008 between the Company and SWS Investment Services, LLC, ("SWS") an affiliate of the Company. The Agreement was to sell certain assets, tangible and intangible, less certain assumed liabilities to SWS. The purchase price of the assets is equal to the fair market value of the purchased assets as of the effective date which shall be mutually agreed upon by the seller and buyer within 60 days of the sale date. Upon the execution of the agreement, SWS paid \$50,000 to the Company and the net difference will be due upon agreement of the purchase price by both parties.

### Report of Independent Auditors on Internal Control Required by SEC Rule 17a-5

To the Board of Directors and Stockholder of Valley Forge Asset Management Corp.

In planning and performing our audit of the consolidated financial statements and supplemental schedules of Valley Forge Asset Management Corp. (a wholly owned subsidiary of Susquehanna Bancshares, Inc.) (the "Company") as of and for the year ended December 31, 2007 in accordance with auditing standards generally accepted in the United States of America, we considered the Company's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (the "SEC"), we have made a study of the practices and procedures followed by the Company, including consideration of control activities for safeguarding securities. This study included tests of compliance in such practices and procedures, that we considered relevant to the objectives stated in Rule 17a-5(g), in making the following:

- The periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11);
   and
- 2. Determining compliance with the exemptive provisions of Rule 15c3-3.

Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

- 1. Making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13;
- 2. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System; and
- 3. Obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by Rule 15c3-3.

### PRICEWATERHOUSE COPERS 18

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control and of the practices and procedures referred to in the preceding paragraph, and to assess whether those practices and procedures can be expected to achieve the SEC's abovementioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, errors or fraud may occur and not be detected. Also, projection of any evaluation of internal control to future periods is subject to the risk that controls may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies; that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a misstatement of the financial statements will not be prevented or detected by the entity's internal control.

Our consideration of internal control was for the limited purpose described in the first, second, and third paragraphs and would not necessarily identify all deficiencies in internal control that might be material weaknesses. We did not identify any deficiencies in internal control and control activities for safeguarding securities that we consider to be material weaknesses, as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2007 to meet the SEC's objectives.

This report is intended solely for the information and use of the Board of Directors, management, the SEC, Financial Industry Regulatory Authority, and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
